Secure the knotted end to a table with tape or clip it to a clipboard.

3.

Arrange the strands in the order of colors you prefer.

4.

Using the forward knot, tie the leftmost strand over the next strand to the right.

5.

Repeat tying forward knots across the row until you reach the end.

6.

Start the next row with the new leftmost strand, repeating the process to create

7.

diagonal stripes.
