Content Structure and Pedagogical Approach

The structure of the Manhattan GMAT 4th edition is methodically organized, focusing on concept mastery before advancing to more complex problem-solving scenarios. Each section—Quantitative and Verbal—begins with foundational concepts, followed by targeted drills that emphasize common GMAT question types such as data sufficiency, critical reasoning, and sentence correction.

The Quantitative section, for instance, revisits essential mathematics topics like algebra, geometry, and number properties, but also integrates strategic approaches for handling tricky data sufficiency questions. This targeted focus on question types is a hallmark of Manhattan GMAT materials, providing learners not only with knowledge but also with tactic-based frameworks.
