Jack Bosch's journey into real estate investing began over two decades ago. Originally from Germany, Bosch migrated to the United States, where he initially pursued a career in engineering. While property appreciation can contribute to wealth, Bosch emphasizes generating consistent cash flow as the primary goal. This ensures that investors have reliable income streams regardless of market fluctuations, providing stability and peace of mind.

- Buy and Hold for Passive Income

The strategy encourages purchasing properties with the intent to hold long-term, allowing rental income to serve as a steady, passive revenue source. This approach minimizes active involvement and fosters financial independence.

- Automate and Systematize

Efficiency is key in the "Forever Cash" system. Bosch advocates for automating property management, utilizing property management companies, and employing systems that streamline operations, thereby reducing time and effort.
