During the late 19th and early 20th centuries, as Argentine society experienced significant migration waves from Europe and internal rural migrations, La Lena became a colloquial expression used to refer to a particular type of woman?often characterized by resilience, strength, and a deep connection to her land.

Etymological Insights

Linguistically, the word "Lena" does not have a definitive translation, but it has been interpreted as a colloquial term for a woman with a "fiery" or "passionate" nature, derived from the Spanish word "la" (the) and a phonetic evolution of local dialects.
