Background and Founding Vision

Dolomiti Alma Edizioni was founded in the early 21st century, emerging from a growing local demand for authentic narratives centered on the Dolomite region. Rooted deeply in the Veneto and Trentino-Alto Adige areas, the publishing house aims to document the multifaceted identity of the Dolomites?from their geological uniqueness to the traditions of the communities living there.

The founders envisioned a platform that would not only produce books but also serve as a cultural bridge, connecting the modern reader with the ancient and contemporary stories of mountain life. This vision has guided the company?s editorial policy, focusing on quality over quantity, and emphasizing works that contribute to environmental awareness, historical accuracy, and artistic expression.
