- Criteria for Partial Credit: How partial answers or misconceptions were scored.
- Guidelines for Teachers: Instructions on how to apply the scheme during marking.

The Concept of "Moving House" in KS1 Assessments

Moving House as a Curriculum Theme

In primary education, "moving house" can be a thematic unit integrated into literacy and numeracy lessons. It often involves storytelling, problem-solving, and understanding spatial concepts, making it a practical context for assessment.

"Moving House" in the Context of KS1 SATs

While not an official assessment title, "moving house" might symbolize transitional phases?such as a child's progress from one level to another or a specific assessment task involving real-life scenarios about relocating, which tests understanding, reasoning, and communication skills.

How "Moving House" Could Be Assessed

In assessments, children might be asked to:

- Describe a move using sentences.
- Solve problems related to distances or measurements involved in moving.
- Read and interpret stories or instructions about moving house.
- Use mathematical skills to calculate costs or distances.

How the 2007 Mark Scheme Evaluated "Moving House" Tasks

Example of Marking Criteria for a "Moving House" Task

Suppose students were asked to write a short story about moving house. The mark scheme might assess:

- **Content and Relevance:** Does the story include key details about moving?
- **Language and Vocabulary:** Are sentences coherent? Is appropriate vocabulary used?
- **Spelling and Grammar:** Are spelling, punctuation, and grammar correct?
- **Structure:** Does the story have a clear beginning, middle, and end?

Mark Allocation Examples

- Full marks for a well-structured story with correct spelling and relevant content.
- Partial marks for incomplete stories or minor grammatical errors.
- No marks for unrelated or incoherent responses.

Numerical and Mathematical Tasks

For tasks involving calculations, such as estimating moving costs, the mark scheme would specify:

- Correct calculation methods earn full marks.
- Partially correct answers receive partial credit based on the accuracy of the calculation.
- Incorrect methods or answers receive no marks.
