Setting Up the Activity

- Arrange the cards randomly on the table or in a mixed pile.
- If using labels, prepare them to help children connect colors with their names.

Mix the cards thoroughly to ensure children practice sorting and sequencing rather than simply recalling the order. Mix them face-up or face-down, depending on your activity focus.

Step 4: Arranging the Cards

- Invite children to pick a card from the pile.
- Guide them to place the card in the correct position relative to the other cards, forming the

rainbow sequence.

- Encourage discussion and reasoning, asking questions like, "Where does this color go?" or "What color comes after yellow?"
- Assist as needed, modeling the correct placement when necessary.

Step 5: Creating the Rainbow Sequence

Once all cards are correctly placed, review the sequence together. Reinforce the order by pointing to each color and naming it aloud. Celebrate the accomplishment to motivate continued learning.
