Exam Structure and Content in Regents June 2014

The Regents June 2014 exams maintained a consistent format across most subjects, featuring multiple-choice questions, short answers, and extended constructed-response

items. However, some exams included notable updates in question types and content focus, reflecting ongoing curriculum revisions.

English Language Arts (ELA) Exam

The English Regents exam in June 2014 emphasized critical reading, writing, and analysis skills. The test combined literary analysis with informational text comprehension, challenging students to engage with diverse materials. The essay section required students to construct well-organized responses supporting a central argument, demonstrating both comprehension and communication skills.
