Through a series of surreal and often disturbing encounters, the story explores the depths of human emotion and the ways in which trauma manifests in both mind and body. The narrative is non-linear, often shifting between past and present, which demands attentive reading but ultimately enriches the storytelling experience.

The story's structure mirrors the fragmented nature of memory and trauma, creating a layered reading experience that invites multiple interpretations. The protagonist's journey is both personal and symbolic, representing universal struggles with pain, guilt, and redemption.
