The Runaways? success proved that women could be both commercially successful and authentically gritty in the rock and metal scenes.

The Rise of Female Vocalists and Musicians

Though female instrumentalists in metal were rare during this period, trailblazers like Lita Ford transitioned from the glam rock scene to become one of the first prominent female guitarists in heavy metal. Her solo career in the 1980s, with hits like "Kiss Me Deadly," showcased her virtuosic guitar work and helped pave the way for more women to pick up instruments in metal.
