Always ask: What does the reader want to know? Emphasize how the program addresses their needs or pain points. This reader-centric approach makes your overview more compelling.

Keep It Concise but Informative

Balance brevity with substance. Avoid unnecessary filler words but don't sacrifice important details. A coach can help you find this sweet spot by trimming excess while preserving clarity.

Incorporate Testimonials or Success Stories (When Appropriate)

Including a brief quote or example of someone who benefited from the program can add credibility and human interest.

Visual Elements Can Enhance Understanding
