Oxford University Press, an established leader in educational publishing, has meticulously curated this resource to align with national curriculum standards, making it a preferred choice among schools, parents, and literacy specialists.

At its core, ORT is not merely a collection of books but a structured programme that integrates visual elements, repetitive language patterns, and narrative continuity. This design helps children build confidence and motivation to read independently. The series features a wide array of characters, notably the beloved 'Bibi', Chip, and Kipper' family, whose adventures create relatable contexts for learning.
